AMERICA'S SHINGLE IS YOUR HERITAGE.

We are proud of our Heritage — More than 75 years of U.S. manufacturing, family-owned, founded in the heartland of America. With a long history of vertical integration to control the quality of our raw materials, at TAMKO, we think better materials make better shingles. And it's not just an advanced proprietary mix of fiberglass mat, asphalt and ceramic granules that go into our shingles - our support for veterans, first responders, our communities and our employees means you can feel good about choosing a TAMKO® Heritage® shingle — America's Shingle®.

UL Evaluation Report
ER2919-02

**Florida Building Code
Product Approval**
FL 18355
FL 35321
**Miami-Dade County
Product Control Approved**

Desert Sand and Olde English Pewter are listed by the Cool Roof Rating Council® (CRRC)

SHINGLE COLOR SELECTION TIPS

For more information on shingle color selection tips and available colors by zip code, visit tamko.com

START YOUR COLOR SEARCH WITH BROCHURES & VISUALIZATION PROGRAMS.

The printed colors you see in any brochure or digital visualization program are only as accurate as current printing and digital technology allows.

VIEW AN ACTUAL ROOF INSTALLATION.

Shingles may look different installed on a roof compared to viewing only one shingle. Also, shingle colors can appear differently during different times of day, in different amounts of sunlight (full, partial, etc.).

VIEW ACTUAL SHINGLES.

Viewing actual shingles is the only way to see all the nuances in color that will be represented on your roof once the project is complete.

CHECK YOUR SHINGLES BEFORE INSTALLATION.

TAMKO is not responsible for color claims where the wrong color is installed on a roof. It is better to be safe and perform a final in-person check of the shingles to confirm product and color before they are installed.

Certain colors and products may not be available in your area. Information included in this item was current at the time of printing. To obtain a copy of the most current version of this item, visit us online at tamko.com or call us at 1-800-641-4691.

SHINGLES BEGIN TO AGE AS SOON AS THEY ARE EXPOSED TO NATURE. BUILDINGS EXPERIENCE AGING FACTORS DIFFERENTLY, SO IT IS DIFFICULT TO PREDICT HOW LONG SHINGLES WILL LAST. TAMKO PROVIDES A LIMITED WARRANTY FOR MANY PRODUCTS, THAT INCLUDES A BINDING ARBITRATION CLAUSE AND OTHER TERMS AND CONDITIONS WHICH ARE INCORPORATED HEREIN BY REFERENCE. YOU MAY OBTAIN A COPY OF THE LIMITED WARRANTY AT TAMKO.COM OR BY CALLING 1-800-641-4691.
